ADP Report OMB Determination Significant 09-02-2016.docx

Hello, Nicole,

Attached are the ADP reports for OAR's significant rules and rules we are seeking non-significant. Do you know when OP will send forward the next set of rules for significance determination? You will notice several of the rules don't have date (month), which we included in the last report for OMB. I've also included 4 guidance documents that OAQPS recommended be included. We didn't include any guidance document entries in the last OMB report so please let me know if I should remove.

Please note these reports are draft. We have an internal OAR meeting with Janet on Thursday to discuss. I will let you know either way if any of the dates/information change. Let me know if you have any questions.

Thank you and have a fantastic holiday weekend.
